

1. The Big Pig

I had a pig
who liked to dig.
He found a wig
and did a jig.
He wore the wig
upon his head.
Then fell asleep
in his soft bed.

2. The Red Hen

There was a hen
inside a pen.

She wrote a note
with a red pen.

She clucked and pecked,
then ran to Ben.

He gave her corn
and said, "Again!"

3. The Mad Dog

I saw a dog
who sat on a log.
He barked so loud
it scared a frog.
He chased his tail
through rain and fog,
Then curled up tight
and slept like a log.

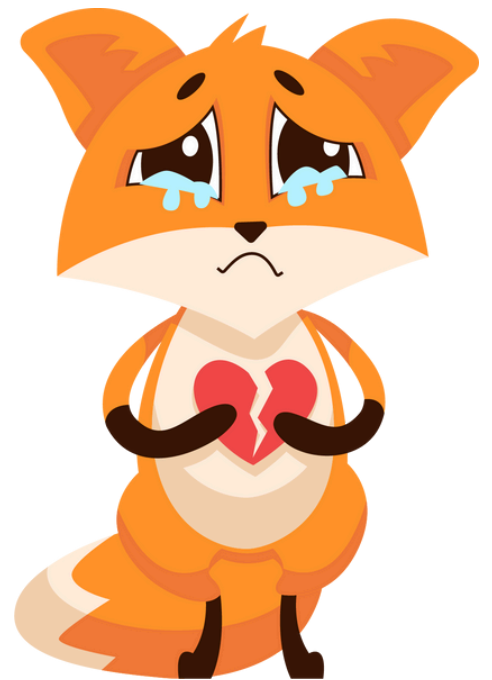

4. The Little Bug

A tiny bug
sat on a rug.
He wore a hat
and gave a shrug.
He sipped some tea
from a small mug,
Then flew away
with a happy hug.

5. The Sad Fox

I met a fox
behind some rocks.
He lost his socks
inside a box.

He searched all day
and checked the clocks,
Then found them near
his friend, the ox.

6. The Jet Pet

I have a pet
who rides a jet.
He flies so high,
he never gets wet.

He wears a vest
and helmet set.
He zooms around—
my fastest pet yet!
