# FREE TIME ACTIVITIES

## READING COMPREHENSION

Read the texts about three people and their free time activities and answer the questions

### My aunt, Tina

My aunt Tina lives in the city but enjoys spending time in nature. At the weekend, she likes walking in the countryside and watching birds. She has many books about birds and loves to share what she knows with others.

### My cousin, Sarah

My cousin Sarah loves playing the ukulele. She practices every day to get better and sometimes her friends come over to play music together. They perform at local events and have fans online. Sarah got a new electric ukulele recently, which makes her music louder, but it bothers the neighbors a bit. Despite this, Sarah keeps playing because she loves it.

### My friend, Jack

While I enjoy reading books, my friend Jack loves playing video games. His room is full of game consoles and posters. After school, he plays games online with friends from around the world. Sometimes he gets frustrated when he loses, but he always keeps playing because he really enjoys it.
