She teaches me simple recipes, like making pancakes or spaghetti. I wear an apron, and she ties a colorful one around her waist.

We laugh and talk while chopping vegetables and stirring the pots. The kitchen smells amazing as we create delicious meals.

My favorite part is when we sit down to eat what we made. It tastes even better because we made it together. Cooking with my mom is a fun and tasty way to bond and learn.

I'm always excited when it's shopping day with her.

Pink bedroom

My bedroom is painted in a lovely shade of pink. The walls create a warm and soothing atmosphere. The bed is adorned with pink pillows and a soft pink blanket. A small desk near the window is perfect for my studies. The curtains match the room's theme, allowing a gentle, rosy light to filter through. I find comfort and joy in my pink bedroom—it's my cozy retreat for relaxation and rest.
